Alternatives North Hosts Mayoral and Councilor All-Candidates Forums

All-candidates forums featuring the mayoral and councilor candidates are being hosted by Alternatives North.

The forum for mayoral candidates is Thursday September 27 at 7 PM at the Baker Centre.

The councilor candidate forum is Wednesday October 10 at 7 PM at the Northern United Place Auditorium.

In the mayoral debate, candidates will respond to questions posed by community groups and field questions from the audience.

In the councilor debate, candidates will debate city priorities on the basis of questions provided by Alternatives North. In both forums, candidates will be invited to make an opening statement.

Aurora College instructor and social worker Susan Fitzky will moderate both events, which are scheduled to run two hours.
