YELLOWKNIFE LIVING WAGE

Living Wage is based on a bare-bones budget without the extras many of us take for granted. The budget includes food, clothing, rent, transportation, child care, health care, adult education, some household expenses, and a small emergency fund.

In 2015, 2017, and 2019, Yellowknife's Living Wage was calculated to be \$20.68, \$20.96, \$23.95, respectively. For 2022, Living Wage rate is \$23.28.

Compared to 2019, the Living Wage reference family— a couple family with 2 children— faces similar annual expenses but attains somewhat higher government transfers that offset the need for employment income.

\$23.28

per adult per hour

is Yellowknife's 2022 Living Wage for a family of 2 parents working 37.5 hours per week and 2 children including self-funded health and dental expenses.
